FURNIPART

Furnipart u svojoj suštini predstavlja spoj snage dizajna, raznolikosti i inovacije. Svaki novi model nastaje iz strasti ka stvaranju i prepoznavanju mogućnosti, a ta energija pretočena je u ručice koje oplemenjuju svaki komad nameštaja.

Industrijska elegancija

Dizajn koji spaja tradiciju i savremenost.
Dizajn sa prepoznatljivim karakterom – sirova površina, izdržljivost, upečatljive linije i tamne boje. Ove ručice odišu posebnim izgledom koji zaslužuje pažnju. Prirodno se uklapaju u svaki dom, nose duh tradicije i odišu elegancijom i postojanošću. Pažljivo izrađene, pružaju potpunu kreativnu slobodu u oblikovanju prostora.

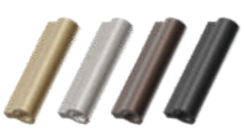

Čvrsta forma i odlučan dizajn čine da ručice MANOR, BOND i LUCENTE odišu industrijskim karakterom. Za razliku od njih, EDGE STRAIGHT donosi suptilne linije koje unose rafiniranost u svaki industrijski enterijer.
